

The Standard Oil Company Is To Be Divided Up, But You Needn't Get Chesty For Those It Will Be Divided Among Do Not Include The Consumer

PRESIDENT GIVES THE DEMOCRATS DUE CREDIT

For the Passage of the Reciprocity Agreement

BILL PASSED VOTE 53 TO 27

Senator Page Voted Against it While Senator Dillingham Was Present and Didn't Vote

Beverly, Mass., July 23.—In the first statement he has made since the passage of the reciprocity bill by the Senate, President Taft tonight freely acknowledged that his campaign in behalf of that measure would have proved unavailing if the democrats had not helped him. Without such aid, the president declared, reciprocity would have been "impossible."

"The democrats did not play politics in the colloquial sense in which those words are used," said the president, "but they followed the dictate of a higher policy."

Washington, July 23.—After voting down with consistently overwhelming majorities sixteen separate amendments, the Senate early yesterday afternoon passed the Canadian reciprocity bill by a vote of 53 to 27. This puts through the House bill without change and sends the measure up to the president's signature as soon as the House meets again so that Speaker Clark and the clerk of the House can affix their attestations to the true copy. This will be next Wednesday, and by that time the president, who left yesterday afternoon in great elation for a week-end at Beverly, will have returned.

One section of the bill—that relating to the importation of wool pulp and print paper into this country—will go into effect as soon as the president signs the measure. That section is not subject to the conditions imposed in the others requiring action first on the part of Canada, and its terms are such that wool pulp and print paper not restricted by export charges or other limitations from exportation from Canada shall be admitted free of duty into the United States. This means the free ingress of the products named from practically all private timber lands in the Dominion.

The other sections are technically reciprocal and await affirmative action in Ottawa before becoming effective. Indications here are that the passage of the bill in the United States will greatly strengthen the hands of Sir Wilfrid Laurier's government in Ottawa in insisting on the passage of the measure by Parliament but it will be a matter of some weeks. Indeed, there are very definite indications that the Canadian government may decide in the end to go to the country before the vote is taken and this will mean a general election in the fall throughout the Dominion on this issue. No doubt is felt, however, that the terms of the agreement

will be enacted by Canada before the winter.

New England senators are reported voting as follows:

For the bill—Lodge and Crane of Massachusetts; Brandegee and McLean of Connecticut; Wetmore of Rhode Island; Johnson of Maine.

Against the bill—Lippitt of Rhode Island; Burdham of New Hampshire; Page of Vermont.

Absent—Frye of Maine; Gaillard of New Hampshire.

Present but not voting—Dillingham of Vermont.

BASEBALL BUNTS

"Johnny" Bosk went to his home in Pittsburgh this morning for a short visit.

Pittsfield, with Pelouquin pitching, defeated the Cuban Giants at Pittsfield Saturday 6 to 0.

The umpiring at the Tudor park game was about the worst of the season. Mr. Tooley was bad and Mr. Murray was much worse. The correct score of the game was 2 to 1, the umpire giving Bennington the other run by main strength and not according to the rules of the game. Both pitchers were given the raw end of the decisions on balls and strikes. It seems to have been Mr. Murray's off day for heretofore he has been giving good satisfaction.

BIGGEST BASEBALL CROWDSAWHOME TEAM WIN

Bennington Defeated All Cubans by 7 to 6 Score

VICTORY NEVER CERTAIN

Islanders in the Lead in First and Seventh Inning—Game Won in Eighth

Bennington defeated the All Cubans of Havana at Morgan park Saturday afternoon by a score of 7 to 6. The game was attended by the largest crowd that has attended a baseball game here during the present season. The reputation made by the Cubans in the game played on Friday when they beat the locals 9 to 5 proved to be a good drawing card and well demonstrated that professional baseball can easily be supported in Bennington when it is possible to secure visiting teams good enough to make the exhibitions interesting.

Saturday's contest was a remarkable one in several respects. Both pitchers were batted rather freely and evenly, the hits being 10 and 11. The Cubans had one more error than Bennington and one more hit. Neither pitcher walked or hit a batter.

The finish of the game was a spectacular windup. In their half of the seventh inning the Cubans had bunched three hits and a sacrifice which netted two runs and put the islanders one to the good in the score column. When Bennington came to bat Burns had twice been whiffed by the dusky baxman hit a hard single to center field and a couple of bad errors in the infield put him over the run with the tying run. The Cubans were unable to connect with the ball in the eighth and the first two batters for Bennington were easy outs, McCreehan on a fly to left field and on a ground to second base.

Brill was the next hitter but for one of the people on the bank of the brook the game would have ended when he caught one of Pereda's outshoots on the end of the bat and sent the ball on a line toward George Street. The sphere, when it started, had a tag attached labeled "longest hit ever made on the grounds" but on its way it struck the tree squarely about 12 feet from the ground and bounded back almost to the edge of the diamond. Brill, however, made two bases on the swat and a minute later when Bennington located a clean single in center field romped home with what proved to be the winning run of the game.

Burns pitched a remarkable game. He was pitted against by far the hardest hitting team that is likely to visit this section for many a day. Yet in only two innings were the Cubans able to bunt hits to any extent. In the fifth they gathered a pair of singles but would have scored but once but for an error in right field. The seventh was the only inning in which he was batted to any extent.

Hernandez, the sprightly second baseman, opened the game for the islanders by smashing a two-bagger to center. For Bennington Prindle, who played in left field, is a Hoosier. Falls boy who played with Bennington in the last years of the old association team. McGraw at second and Jones at third were here a year ago at the opening of the season and tried out with Bennington for these positions. Hernandez, the catcher, behind the bat for Bennington at Tudor park about a year ago.

The real features of the game were two pickups by Brill and the battery work by Ryan and Hayden.

Bosk pitched with his usual effectiveness. He did not have a base on balls and only once did the Granville batters collect two clean hits in the same inning. The score:

Bennington

| AB | R | H | PO | A | E | |
|---------------|----|---|----|----|----|---|
| Prindle, If | 3 | 1 | 0 | 1 | 0 | 0 |
| Connors, 2b | 3 | 0 | 2 | 1 | 0 | 0 |

| Nugent, rf | 3 | 0 | 0 | 0 | 1 | 0 |
| | 34 | 1 | 6 | 24 | 13 | 3 |

Score by innings: Bennington—0 1 4 0 0 1 1—7; Granville—1 0 0 2 1 2 0—6.

Stolen bases, Hernandez (2), Carolan, Connors, Finnegan; two base hits, Brill; three base hits, Prindle, Burroughs; home run, McCreehan; struck out by Burns, 7; by Pereda, 7; passed balls, Molina, Burroughs; sacrifice hits, Bustamante; umpire Murray.

BEAT GRANVILLE 3 TO 1

Sharp Game With New Yorkers at Tudor Park

The Granville, N. Y., team played Bennington at Tudor park and was beaten by a score of 3 to 1. When the crowd sized up the visiting team which was largely composed of young fellows, who looked as though they were about to graduate from some prep school, the jokers in the grand stand got busy. The game, however, turned out to be no joke. The Granville team in Ryan, a Washington university pitcher, and Hayden behind the bat had a good battery. The Granville outfit made but five hits and had the boys behind Ryan been able to play the game right the score would have been even closer than it was.

There was some dumb work on the bases but the Granville team of runners when there were good openings for runs.

Four of the players on the Granville team were not strangers to a Bennington baseball audience. Higgins, who played in left field, is a Hoosier. Falls boy who played with Bennington in the last years of the old association team. McGraw at second and Jones at third were here a year ago at the opening of the season and tried out with Bennington for these positions. Hernandez, the catcher, behind the bat for Bennington at Tudor park about a year ago.

The real features of the game were two pickups by Brill and the battery work by Ryan and Hayden.

Bosk pitched with his usual effectiveness. He did not have a base on balls and only once did the Granville batters collect two clean hits in the same inning. The score:

Bennington

DEFEATED EX-TAMMANY

Equinox Walters Won Saturday Game by Score of 9 to 12

Manchester, July 23.—The Ex-Tammany baseball team of Bennington came to Manchester Saturday and met the Equinox Walters team which had valuable assistance in the pitching of Mudge, a Hotchkiss youth who is summing here. Either team played loose enough to lose, but the book showed the home team with three more scores than their opponents. Brooks and Lelory were the batters for the visitors and Mudge, Abbott and Sweeney served in the same capacity for the home team.

The score by innings:

| Ex-Tammany | Equinox |
|------------|---------|
| 1 | 0 |
| 2 | 1 |
| 3 | 0 |
| 4 | 1 |
| 5 | 0 |
| 6 | 1 |
| 7 | 0 |
| 8 | 1 |
| 9 | 0 |
| 10 | 1 |
| 11 | 0 |
| 12 | 1 |

No. Ben.—1 0 0 1 1 2 3 0 1—8; Equinox—4 0 1 0 1 1 0—12.

Close Vote Expected on State Wide Prohibition.

Dallas, Texas, July 23.—Citizens of Texas do not know tonight whether they are to be able to get liquor freely or whether the traffic is to be forbidden throughout the State. Returns from yesterday's election on the question of Statewide prohibition show that sentiment is almost equally divided. Whichever side wins, the majority is not expected to exceed 3,000 out of a total vote of about 500,000. The closeness of the result has caused general surprise, and the campaign committees on both sides are preparing to watch the canvass closely and to raise a cry of fraud if the other side wins.

Returns compiled up to a late hour tonight show the anti-prohibitionists a lead of about 4,000. These figures are based on about 90 per cent of the vote. Many of the outlying counties are to be heard from still, and there is a possibility that they will cut down and perhaps wipe out the slight lead of the wet side. It is asserted by the other hand that part of the district not reported is heavily anti-prohibition, and that the majority will be increased.
